

MURAT INAN

UX / Product Design Manager

I am a user experience designer with a strong focus on the end user. By leveraging User-Centered Design principles, I strive to create impactful and engaging user experiences. My goal is to design digital solutions that are both highly functional and visually captivating. Currently, I serve as the UX/Product Design Manager at BluTV & Warner Bros. In addition to my primary role, I also provide UX/UI consultancy and training services. Currently, I am serving as the UX/Product Design Manager at BluTV.

EXPERIENCE

UX / Product Design Manager

BluTV & WBD (Istanbul, Turkiye) Jan 2023 - Present

↳ Sr UX / Product Designer

BluTV & WBD (Istanbul, Turkiye) Jun 2020 - Jan 2023

I started as a UX/UI Designer and was promoted to my current role as UX/Product Design Manager. I create user-centric and innovative product designs, managing the design process in collaboration with teams such as developers, testing, data, product managers, and marketing. Throughout the process, I analyze user needs and market trends to deliver user-focused solutions. I continuously improve the product's user experience based on user feedback and data analysis.
